## EXPLANATORY NOTE

Rocket Lab Corporation, a Delaware corporation (the “Registrant”), files these Post-Effective Amendments to the following Registration Statements on Form S-8 (the “Registration Statements”) of Rocket Lab USA, Inc., a Delaware corporation (“Rocket Lab”), as the successor issuer to Rocket Lab in connection with the reorganization of Rocket Lab into a new holding company structure (the “Corporate Reorganization”):

- Registration Statements No. 333-279326, No. 333-270831 and No. 333-264780, as filed with the Commission on May 10, 2024, March 24, 2023, and May 9, 2022 (as amended May 12, 2022), respectively, each pertaining to the registration of securities of the Registrant issuable under the Rocket Lab 2021 Stock Option and Incentive Plan (the “2021 Plan”) and the Rocket Lab 2021 Employee Stock Purchase Plan (the “ESPP”), respectively; and
- Registration Statement No. 333-260671, as filed with the Commission on November 11, 2021, pertaining to the registration of securities of the Registrant issuable under the 2021 Plan, ESPP and the Rocket Lab Second Amended and Restated 2013 Stock Option and Grant Plan (the “2013 Plan”, and collectively with the 2021 Plan and the ESPP, the “Plans”), respectively.

The Corporate Reorganization was completed on May 23, 2025 and was effected through a merger pursuant to the Agreement and Plan of Merger (the “Merger Agreement”), dated as of May 23, 2025, among the Registrant, Rocket Lab and Rocket Lab Merger Sub, Inc., a Delaware corporation (“Merger Sub”). The Corporate Reorganization was conducted pursuant to Section 251(g) of the General Corporation Law of the State of Delaware, which provides for the formation of a holding company without a vote of the stockholders of the constituent corporation.

Pursuant to the Corporate Reorganization, Rocket Lab merged with and into Merger Sub, a direct wholly-owned subsidiary of the Registrant, with Merger Sub continuing as the surviving entity and a direct wholly-owned subsidiary of the Registrant (the “Merger”). Upon the effectiveness of the Merger, each share of Rocket Lab common stock held immediately prior to the Merger automatically converted into a right to receive an equivalent corresponding share of common stock of the Registrant, par value \$0.0001 per share, and each share of Rocket Lab Series A Convertible Participating Preferred Stock held immediately prior to the Merger automatically converted into a right to receive an equivalent corresponding share of Series A Convertible Participating Preferred Stock of the Registrant, par value \$0.0001 per share, such shares having the same designations, rights, powers and preferences and the qualifications, limitations and restrictions as the corresponding share of common stock or Series A Convertible Participating Preferred Stock, as applicable, of Rocket Lab being converted. Accordingly, upon consummation of the Corporate Reorganization, the current stockholders of Rocket Lab became stockholders of the Registrant. Further, pursuant to the Merger Agreement, as of the effectiveness of the Merger, the 2021 Plan, the ESPP and the 2013 Plan and all award agreements granted pursuant thereto shall each be amended as necessary to provide that any reference to Rocket Lab and to each share of Rocket Lab in such agreements shall be deemed to refer to the Registrant and to shares of common stock of the Registrant.

Following the Corporate Reorganization, the Registrant is the successor issuer to Rocket Lab pursuant to Rule 414 under the Securities Act of 1933, as amended (the “Securities Act”), and Rule 12g-3(a) under the Securities Exchange Act of 1934, as amended (the “Exchange Act”). As the successor issuer, the shares of the Registrant’s common stock are deemed to be registered under Section 12(b) of the Exchange Act and trades on the Nasdaq Capital Market under the symbol “RKL.B.”

In accordance with paragraph (d) of Rule 414 under the Securities Act, the Registrant, as the successor issuer to Rocket Lab, hereby expressly adopts the Registration Statements as its own registration statements (except as specifically amended by these Post-Effective Amendments) for all purposes of the Securities Act and the Exchange Act, and all securities registered under this registration statement will be securities of the Registrant rather than Rocket Lab. These Post-Effective Amendments shall become effective immediately upon filing with the Commission pursuant to Rule 462 under the Securities Act. Rocket Lab paid all registration fees at the time of filing of the Registration Statements.

No additional securities are being registered hereby.

- (b) The Registrant's Quarterly Reports on Form 10-Q, for the quarter ended March 31, 2025 (as filed with the Commission on May 8, 2025);
- (c) The Registrant's Current Reports on Form 8-K filed with the Commission on January 10, 2025, March 11, 2025 and May 8, 2025; and
- (d) The Registrant's Registration Statement on Form 8-K, including the description of the Registrant's Common Stock contained in Exhibit 4.1 thereto filed on May 23, 2025, including any amendments or reports filed for the purpose of updating such description.

All documents that the Registrant subsequently files pursuant to Sections 13(a), 13(c), 14 and 15(d) of the Exchange Act prior to the filing of a post-effective amendment to this Registration Statement which indicates that all of the shares of Common Stock offered have been sold or which deregisters all of such shares then remaining unsold, shall be deemed to be incorporated by reference in this Registration Statement and to be a part hereof from the date of the filing of such documents.

Any statement contained in a document incorporated or deemed to be incorporated by reference herein shall be deemed to be modified or superseded to the extent that a statement contained herein or in any other subsequently filed document which also is or is deemed to be incorporated by reference herein modifies or supersedes such statement. Any such statement so modified or superseded shall not be deemed, except as so modified or superseded, to constitute a part of this Registration Statement.

Under no circumstances will any information filed under current items 2.02 or 7.01 of Form 8-K be deemed incorporated herein by reference unless such Form 8-K expressly provides to the contrary.

#### **Item 4. Description of Securities.**

Not applicable.

#### **Item 5. Interests of Named Experts and Counsel.**

Not applicable.

#### **Item 6. Indemnification of Directors and Officers.**

Section 145 of the Delaware General Corporation Law (the "DGCL") authorizes a court to award, or a corporation's board of directors to grant, indemnity to directors and officers under certain circumstances and subject to certain limitations. The terms of Section 145 of the DGCL are sufficiently broad to permit indemnification under certain circumstances for liabilities, including reimbursement of expenses incurred, arising under the Securities Act. As permitted by the DGCL, the Registrant's Certificate of Incorporation contains provisions that eliminate the personal liability of directors for monetary damages for any breach of fiduciary duties as a director, except liability: (i) for any breach of a director's duty of loyalty to the Registrant or its stockholders; (ii) for acts or omissions not in good

faith or that involve intentional misconduct or a knowing violation of law; (iii) under Section 174 of the DGCL; or (iv) for any transaction from which the director derived an improper personal benefit. As permitted by the DGCL, the Bylaws of the Registrant provide that: (i) the Registrant is required to indemnify its directors and executive officers to the fullest extent permitted by the DGCL, subject to very limited exceptions; (ii) the Registrant may indemnify its other employees and agents as set forth in the DGCL; (iii) the Registrant is required to advance expenses, as incurred, to its directors and executive officers in connection with a legal proceeding to the fullest extent permitted by the DGCL, subject to very limited exceptions; and (iv) the rights conferred in the Bylaws are not exclusive.

The Registrant has also entered into indemnification agreements with each director and executive officer to provide these individuals additional contractual assurances regarding the scope of the indemnification set forth in the Certificate of Incorporation and Bylaws and to provide additional procedural protections. The indemnification provisions in the Certificate of Incorporation, Bylaws, and the indemnification agreements entered into or to be entered into between the Registrant and each of its directors and executive officers may be sufficiently broad to permit indemnification of the Registrant's directors and executive officers for liabilities arising under the Securities Act. The Registrant carries liability insurance for its directors and officers. Certain of the Registrant's directors will also be indemnified by their employers with regard to service on our board of directors.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers or persons controlling the Registrant pursuant to the foregoing provisions, the Registrant has been informed that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable.

**Item 9. Undertakings.**

(a) The Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

- (i) To include any prospectus required by Section 10(a)(3) of the Securities Act;
- (ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement; and
- (iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement.

*Provided, however,* that paragraphs (a)(1)(i) and (a)(1)(ii) herein do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act (15 U.S.C. 78m or 78o(d)) that are incorporated by reference in the Registration Statement.

- (2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
- (b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the Registration Statement shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

Re: Securities Being Registered under Registration Statements on Form S-8

We have acted as your counsel in connection with your filing of the Post-Effective Amendment No. 1 to Registration Statement on Form S-8 (File No. 333-260671), Post-Effective Amendment No. 2 to Registration Statement on Form S-8 (File No. 333-264780), Post-Effective Amendment No. 1 to Registration Statement on Form S-8 (File No. 333-270831) and Post-Effective Amendment No. 1 to Registration Statement on Form S-8 (File No. 333-279326) (collectively, the “Registration Statements”), originally filed by Rocket Lab USA, Inc., a Delaware corporation (the “Predecessor Registrant”), pursuant to the Securities Act of 1933, as amended (the “Securities Act”), on or about the date hereof, relating the shares previously registered by the Predecessor Registrant (the “Shares”) of Common Stock, par value \$0.0001 per share (“Common Stock”), of Rocket Lab Corporation, a Delaware corporation (the “Company”), that may be issued pursuant to the Company’s 2021 Stock Option and Incentive Plan, 2021 Employee Stock Purchase Plan and Second Amended and Restated 2013 Stock Option and Grant Plan (collectively, the “Plans”). The Company became the successor to the Predecessor Registrant on May 23, 2025 for purposes of Rule 414 under the Securities Act as a result of the merger (the “Merger”) of the Predecessor Registrant with the Company’s wholly-owned subsidiary, Rocket Lab Merger Sub, Inc., a Delaware corporation (“Merger Sub”), with the Predecessor Registrant being the surviving corporation. Upon effectiveness of the Merger, the separate corporate existence of Merger Sub ceased, and the Predecessor Registrant became a direct, wholly owned subsidiary of the Company. In connection with the Merger, the Company assumed and adopted the Plans and assumed the obligation to issue the Shares issuable thereunder.

We have reviewed such documents and made such examination of law as we have deemed appropriate to give the opinion set forth below. We have relied, without independent verification, on certificates of public officials and, as to matters of fact material to the opinion set forth below, on certificates of officers of the Company.

For purposes of the opinion set forth below, we have assumed that, at the time Shares are issued, the total number of then unissued Shares, when added to the number of shares of Common Stock issued, subscribed for, or otherwise committed to be issued, does not exceed the number of shares of Common Stock authorized by the Company’s certificate of incorporation.

The opinion set forth below is limited to the Delaware General Corporation Law.

Based on the foregoing, we are of the opinion that the Shares have been duly authorized and, when delivered against payment therefor in accordance with the terms of the Plans, will be validly issued, fully paid and nonassessable.

This opinion letter and the opinion it contains shall be interpreted in accordance with the Core Opinion Principles as published in *74 Business Lawyer* 815 (Summer 2019).

We hereby consent to the inclusion of this opinion as Exhibit 5.1 to the Registration Statements. In giving our consent, we do not admit that we are in the category of persons whose consent is required under Section 7 of the Securities Act or the rules and regulations thereunder.

Very truly yours,

/s/ Goodwin Procter LLP
